Our Application and Assessment Process

The following is a summary of the steps involved in applying for Shared Ownership:

You are welcome to contact Metro Finance for an initial affordability assessment ahead of the release date. This step is optional and is not a required part of our process.

Metro Finance: www.metrofinance.co.uk, 0114 270 1444.

Your initial affordability assessment does not guarantee you a home, you will need to complete an application on the day of release to be considered and homes are sold on a 'first come, first served' basis.

After the property has been made available for sale

- Submit your application to Viaduct Sales/Stockport Homes Group on the day of release. If you have registered an interest in the site, on the day of release you will be sent an email containing a link to a Viaduct application form. You will need to complete this form to be added to the shortlisting. The application form will also be available on the webpage from 11am on the day of release.
- If the home is already available for sale or is a resale (pre-loved) property, please email the sales team at sales@viaducthousing.com to register your interest and be referred for an affordability assessment.
- Your eligibility for Shared Ownership will be assessed. If eligible, your details will be passed to an advisor at Metro Finance for a full affordability assessment.
- Once your affordability assessment is complete, we will review the outcome.
- A decision will be made about whether you are able to proceed, and the share level you can purchase.

Please note:

- We operate a one stage assessment process.
- If you are referred for a mortgage affordability assessment, this does not constitute mortgage advice or guarantee the availability of a mortgage.
- If the resale property is being marketed by an external estate agent and you've already received mortgage advice, the sales team will supply the necessary documents for your mortgage advisor to approve your application. In this case, you won't need to complete a separate assessment with Metro Finance.
- Members of the armed forces are given priority for shared ownership. If you meet the eligibility requirements for military personnel, please inform the sales team and add this to your application form.
- Your details will be given to Metro Finance to carry out a detailed affordability check. Metro Finance assist Viaduct Housing Partnership with their affordability checks on Shared Ownership homes and you will be required to send your documents.
- Documents will be sent and stored on a secure online portal and information will be shared between Metro Finance and Viaduct Housing. You may choose to use Metro Finance for your mortgage, or you can use any Independent Mortgage Advisor. A data sharing and service level agreement is in place with Metro Finance. If you wish to see a copy of this agreement or our Data Protection Policy, please contact Assurance@stockporthomes.org.
- By sending your documents, you are agreeing to us carrying out anti money laundering checks, along with reviewing your documents and information in line with our internal policies.

Minimum Documents Required

You will need to provide some documents to support your application. The exact documents may vary depending on your circumstances, but as a minimum you will usually need to provide:

- Proof of ID (passport or driving licence)
- Proof of address (utility bill or bank statement)
- Recent payslips (usually last 3 months)
- Recent bank statements (usually last 3 months)
- Evidence of any savings and deposit funds
- Evidence of any existing financial commitments (e.g. loans, credit cards)
- Credit file may be requested

If you're self-employed or have additional sources of income, you may need to provide extra documentation. If you're unsure what to submit, your panel advisor will be able to assist you. In the event that your application is unsuccessful, you will be notified by email and your documents will be securely deleted.
