

Data Processing Agreement – Customer Consent Form

I have recently expressed interest in a Stockport Homes Shared Ownership property. I understand that as part of my application, affordability and eligibility checks must be undertaken. It has been explained to me that currently Stockport Homes use Metro Finance to perform the affordability checks.

I expressly give my permission for Stockport Homes to send to Metro Finance a copy of my Shared Ownership application form in order for them to contact me and carry out an affordability check on behalf of Stockport Homes.

I understand that for the check to be completed, Metro Finance will then request that I provide further information to them so that they can undertake an assessment of affordability and eligibility. This will include, but may not be limited to, the following:

- 3 months Wage Slips
- 3 months Bank Statements
- Proof of current address i.e. council tax bill or utility bill
- Proof of ID i.e. driving license or passport
- Proof of deposit

I understand that all documents will be held securely by Metro Finance and that the information that Metro Finance have collated will then be sent to Stockport Homes, together with the outcome of the assessment. This will be done by way of a secure file and will be stored by Stockport Homes in line with their Records Management Policy.

I am aware that I do not need to use Metro Finance for my mortgage, and that I will seek independent financial advice as appropriate.

I understand that if Metro Finance wish to add my details to a database that they will obtain my consent for that separately.
